Dear Parents,

PRESCHOOL UPDATED INFORMATION

We would like you to know that our courses for our Preschool Program have been adjusted to meet the needs of families. For the 2018-19 school year (if there is minimum registration of 8) a **five full day for 3 year olds** and a **three full day for 3 year olds** will be offered.

We will continue to offer the 1/2 day program on Tuesday and Thursday mornings for the 3 yr. olds. We will *discontinue* the two full day program for the 3's.

The tuition cost for the full 3 and full 5 day program will be the same as for the four year old program.

Extended care in the AM and PM will continue to be offered as in the past.

Please Note:

FACTS GRANT AND AID ADDENDA

Any family that intends to apply to FACTS GRANT and AID program for tuition assistance (whose income is under \$60,000) will also need to complete the Reddington Scholarship Fund that was established by Fr John Reddington to provide Catholic education for residents of the Diocese of Rochester. This gives families a second opportunity to apply from another source available to you. Please find this paperwork enclosed in your registration envelopes. Complete it and return with necessary paperwork to the following address. Deadline for the Reddington Scholarship Fund is April 30, 2018
