Dear Saint Kateri Families,

We have had a great start to the school year and things are in full swing! I have so enjoyed meeting families and talking to students during the many events happening each week. What a special community!

Another way I am getting to know Saint Kateri School community has been through my “Dream Meetings”. Since the first week of school I have been meeting one on one with all faculty and staff and asking them to talk about the future of Saint Kateri School. They have been sharing with me all the things that are special about this school. I am hearing repeatedly how Saint Kateri School “feels like family”, how there are so many ways for parents to become involved and so many fun activities for the students to participate in, making their school days more joyful. In the coming weeks I will also be reaching out to the families in our school community, asking similar questions. I want to know what your hopes and dreams are for the future of Saint Kateri School!

Thank you to all the families that attended the Saint Kateri School picnic, we could not have asked for a more perfect day. A very big thank you to all that made this event a great success. For all the families that came out to be a part of the picnic with a wonderful dish to pass, to the two that grilled the numerous hot dogs and hamburgers, for those who graciously served the food and for our teaching staff that shared pictures and laughs. It really was a great way to kick start the new school year!

Our opening school Mass was held last Friday, September 14th. Mrs. Eveland’s 5th grade class did a great job leading us. Did you know each class at Saint Kateri School takes a turn leading the school at Mass. The Kindergarteners too! ~ along with their Prayer Partners. It warms my heart to see the children in the choir, on the altar and participating as readers; sharing their faith so enthusiastically. Please join us on October 12th at 1:45pm when Mrs. Michael’s 4th grade class will be leading us ~ it is a great way to end your week!

A reminder that tomorrow is Curriculum Night at Saint Kateri. We will begin in the Gym at 6:30pm and at 7:00pm we will move into the classrooms. This is a time for parents to listen to their child's teacher and learn about the curriculum and expectations about that grade. There will be two sessions for you to be able to attend if you have multiple children. We will conclude the evening at 7:50 for you to get home to your families and our teachers as well. I look forward to seeing you tomorrow! Mr. Pellman will be available to talk to you about any questions you may have regarding Boy Scouts. You will know who he is because he will be wearing his uniform. Thank you, Mr. Pellman! The Girls Scouts will also have an information table set up with representatives available for questions as well.

We are halfway into our first week of our iReady diagnostic assessment in ELA. The children are doing a great job! This assessment is done on the computer during their Technology classes. It is done three times a year and gives us a sense of how our students are growing throughout the year. Next week we will begin the iReady diagnostic for Math.

God, your never-ending love is better than life!

My lips will always praise you.

And I will bless you as long as I live;

I will lift up my hands and pray to you.

My spirit is fed as with a rich feast.

And my mouth praises you with joyful lips.

Psalm 63:3-5, adapted, Book of Everyday Prayers
