December 19, 2018

Dear Saint Kateri families,

A huge congratulations to the students of Saint Kateri School for such a beautiful and fun Christmas Concert. Grades K-5 performed last week and it was such a treat to see the Preschoolers perform with the whole school for the afternoon performance. Thank you to Ms. Kremer for all her hard work in preparing the children for the singing, sign language, costume changes, and choreography. We were smiling as much watching as the children were smiling as they performed. Did anybody see Ms. Kremer's face as she conducted these beautiful students? ~ Pure Joy!! We are so blessed ~

The Christmas Tree in the foyer has been covered in hearts thanks to the sharing of kindness by Saint Kateri School students. Each one is decorated so uniquely by the children, and each one a symbol of Saint Kateri LOVE! Keep encouraging your children to practice Kindness in the classroom so we can continue to make the bed for Baby Jesus comfy and cozy.

We are celebrating in the Christmas Spirit today by hosting a Christmas Tea for local seniors. Seniors were invited to join us for tea and sweets and each class is in charge of a piece of the Christmas Tea. What a great way to show Saint Kateri School LOVE and be RESPONSIBLE! Saint Kateri School students will also perform songs from their Christmas Concert. Before leaving, all the Seniors will go home with a small gift; gifts donated by the Saint Kateri School families. Bringing in items for the Christmas Tea is how we decorated our Christmas Tree.

As the time of waiting comes to an end, and we are approaching the fourth week of Advent, may you and your family have a blessed Christmas full of the gift of time with each other. Have a safe and happy holiday!

Merry Christmas and Happy New Year!

Terri L. Morgan
Principal

We are praying for the following families this week:

- Dady
- French
- Gray
- Mills
- Morgan
- Poirier
- Ronzo
- Sheerer
- Schmitt
- Messmer
