

Dear Saint Kateri School families!

Welcome to the 2018-2019 school year! Since beginning my position as Principal of Saint Kateri School it has been a joy to meet families and staff and even some students of Saint Kateri. I attended the Preschool Playground Meet and Greet where families had a chance to meet their child's teacher while their children played on the school playground with old and new friends. Preschool and Kindergarten Information Night gave me a chance to "meet and greet" incoming families and pop in briefly to introduce myself. The overall feeling is that Saint Kateri is a pretty special place. Thank you for welcoming me so warmly into this community!

I am not the only one who is new to Saint Kateri this year. Please join me in welcoming new faculty and staff to the Saint Kateri School family:

- Ms. Chloe Smith will be teaching Art this year as Mrs. Roney-Blaine will be on a yearlong sabbatical.
- Mr. Eric Kingsley, while not new to Saint Kateri School, will be entering a new role as Technology teacher.
- Miss Emily Hanss will be teaching 3rd grade.
- Mrs. Maggie Fitzgerald will be joining us to teach Preschool Four Year Olds.
- Mrs. Jen Munoz, mother of Gianna and Julian who are going into 3rd grade, will be assisting Mrs. Fitzgerald.
- Ms. Patty Borden will be assisting in Mrs. Gašić's Preschool Four Year Old class.
- While Mrs. Joan Coffey has been at Saint Kateri School for many years, her responsibilities will now include Aftercare.

Please join us for our Saint Kateri School picnic on Friday, September 14th from 5-7pm on the playground area behind the school. You will find more details in this envelope.

The 5th graders did a fabulous job today beginning our day in prayer. It was energizing to see the K-5 students participating and enthusiastic. Thank you Ms. Kremer, the music was beautiful. Great job Saint Kateri School!

Thank you for sharing your children with us this school year. We are blessed to teach them every day and to share our faith with them. I am looking forward to a very successful school year where our students grow academically, socially and spiritually. I hope you find Saint Kateri School as a place where your child will thrive and grow in the knowledge that Jesus loves them, and they are special in his eyes.
