

Summer Recess is upon us!

Dear Future 3rd Graders,

This summer, while resting, playing and generally having a great time, I would like to encourage you and your family to spend some time reading. To help guide you, I am providing a Summer Reading BINGO board. I hope this will make reading enjoyable and help you continue to develop a love for reading.

As you complete a square, please have an adult initial the square. The Bingo board should be brought back to school during the first week. Let's see how many Bingos you can get!

In addition, if you would like to read even more, stop by your local Barnes and Noble. They have their own summer reading challenge. If you complete it, you get a free book!

If you find something great to read, please share that with others including your classmates and teachers. I hope this activity will result in some enjoyable reading time for you all!!

Love,

Mrs. Roberts
