When it comes to Parent-Teacher communication I am a big believer of school/home communication. I will be sending any and all reminders via your child's agenda, our purple daily folder, and a class calendar that is sent at the beginning of the month via email. I respond to emails as quickly as possible. Please understand that during the day I am your child's teacher first. As always, if there is an emergency please call the Main Office.

## Mrs. Steele's 5th Grade Class 2022-2023

# Hello

---

Dear Parents/ Guardians,

My name is Mrs. Steele and I am the 5th grade teacher at Saint Kateri School! I am excited to get to know the 4th grade students as they move up to 5th grade! I look forward to seeing him/her explore new topics in Science and Socials Studies.

Watching them grow in Mathematics and ELA, and continuing their journey in Religion give me great satisfaction. It is exciting to see where their imagination and creativity will take them in 5th grade!! Lastly, I am eager to see them all grow as individuals and classmates. I know this class has much to teach me and I am sure we will have an **AMAZING** school year together!

# Building Expectations

---

During their final year at Saint Kateri School the 5th graders embark on a journey as a class where they are not only just preparing for 6th grade but also they are the "elders" of the building. As the oldest class we have a lot of responsibilities. We lead Prayers Services, Masses, raise and lower the flag, often asked to help behind the scenes for community events, and we assist the younger grade by helping them get to class in the morning. We strive to not only educate them but have the students understand what a school community is and what their role is in our community.
