

January 15, 2020

Our 2020 has certainly started out with some very exciting times ~ and we are thankful that this week has been a little more on the uneventful side.

Saint Kateri School will begin the registration process for current families and perspective families. In preparation of the 2020-2021 school year enrollment efforts we are holding events in the next couple of weeks where new families can find out more about our school community.

- Tuesday, January 21 ~ Preschool Information Night at 6:00pm
- Thursday, January 23 ~ Kindergarten Information Night at 6:00pm
- Tuesday, January 28 ~ Visitation Day for perspective families

Please share this information with your family and friends! It is through word of mouth that we are able to grow our school family each year. We will be promoting our “Welcome to the Family” campaign that will give new families tuition incentives that are the same as current families of multiple students receive. Look for more information coming soon!

Catholic Schools Week begins on Sunday, January 26th with a Catholic Schools Week Mass at Christ the King at 9:30am ~ students are asked to attend and wear their school uniforms. Our students will be present in all aspects of the Mass as readers, Choir members, altar servers, greeters and gift bearers. There will be a Coffee Hour immediately following in the Parish Center. Catholic Schools Week gives us a chance to celebrate Catholic education. There are many activities that week that showcase our values of Love, Responsibility and Service; please see the enclosed schedule and hang it on your frig to reference. The sacrifices that each of you make for your children to have an education that meets their academic, social-emotional and spiritual needs does not go unnoticed ~ and we celebrate you!

Last week Emily Baldo (a SKS alumni) and Rachel Donnellan, two Mercy High School Seniors, came to our school to run an event for girls in 4<sup>th</sup> and 5<sup>th</sup> grade. They used their strengths in Ballet and Martial Arts to show the girls that participated how to be strong and capable following their interests. This event was a part of their Mercy Motto Senior Project and their goal was “to help younger girls realize their potential and understand that it is not necessary to look a certain way to be able to do what you love.” (Emily Baldo). Thank you to these two young ladies for sharing their time and talents with our girls and giving them such good role models to follow!

A reminder that there will be **No School on Monday, January 20<sup>th</sup>** in observance of Dr. Martin Luther King Jr. Day. On Friday, January 17<sup>th</sup> at 1:15pm, First Grade will be leading our Peace Prayer Service in celebration of this holiday. All are welcome!

Thank you for all you do to support Saint Kateri School!

God bless,

Terri L. Morgan  
Principal
