

November 6, 2019

Dear Saint Kateri School families,

A great day was had by Saint Kateri School students this Halloween! Students came to school dressed in their Halloween costumes and were able to parade outside for our families. We were so lucky the rainy weather came later ~ Whole school Halloween BINGO was followed by many Halloween parties. Thank you to all the families that came and clapped and cheered as our students walked by and volunteered in our classrooms that day!

Thank you to Miss Hanss and the 3rd grade class for leading us in the All Saints Day Mass last Friday. What a special way to end our week ~

Don't forget that this Friday, November 8th we will be holding our Veteran's Day Prayer Service at 1:15pm in the church. Families are encouraged to attend! Please invite any veterans that you know to come and be celebrated that day.

A huge Thank You to our volunteers who supplied treats for the Election Day Goodie Table! A special shout out to Brandi Watterson, mom to Arieana in 5th grade, and her team of Goodie Table workers. Many of our volunteers have put in years of service to our school and will pass the torch to new families when their children graduate SKS in June. Please consider giving your time and talents!

Last month I read the book *Ada Twist Scientist* by Andrea Beatty to all of our students at Saint Kateri School. It is funny for both children and adults, the illustrations draw you into the details, and there is so much to have an engaging discussion about. But wait ~ there's more! It is part of a series of books that showcase students in a 2nd grade class that are real thinkers and doers. I highly recommend them, and I think our students would agree!

Today is our first Walk-A-Thon Spirit Day and our students and faculty are also participating in Jeans for Troops. All monies collected today will go to help the veterans with housing, health care and employment opportunities. Thank you for supporting our veterans.

Thank you for all you do for your child and Saint Kateri School! We would not be the amazing school we are without your support.

God bless you and your family!

Mrs. Terri Morgan  
Principal, Saint Kateri School

4th grade participated in an Escape Room On Halloween to save the office from Snails ~ these are the first escapees!

Halloween Fun ~ with Winston and the Giving Tree!

Election Day Goodie Table! Many yummy treats were available for sale. Thank you for a long day of preparation and manning the table ~ all to support SKS students!
