Happy First Week of Autumn!

It is hard to believe that we are already into our third week of school. The halls are filling up with student learning and artwork and it is so exciting to see and hear! True to Rochester weather, we have gone from Summer, to Fall and today we are back to Summer. Enjoy these warmer Fall days as they will soon be a fading memory when Winter arrives.

Thank you to everyone that came to Curriculum Night. It was great to see so many families eager to meet the teacher and learn ways they can help their child be successful this school year. Thank you to Barb Whelehan for representing Parent's Association and talking about the upcoming events and ways you can get involved. This year we are asking Room Parents to act as liaisons to the Parent's Association by attending meetings and getting involved on one committee. This is a great way to learn about our school! Parent's Association meets on the first Monday of the month and our next one is on October 7th.

A note to parents dropping off their children in the morning ~ In an effort to keep our students safe we ask that you que up behind the buses and let your child out of the car at the sidewalk, similar to what the buses are doing. Please do not park in front of the church or let your child off before the sidewalk. If for some reason you need to go into school, please park beyond the drop-off zone. When the buses are unloading our students, their red lights will be on, please do not go around them in the parking lot. Your patience and understanding will keep our students safe during this time.

Today was the last day to turn in the Save Around Books and orders. Thank you for your participation. At the same time, we are deep into preparations for our biggest fundraiser of the year ~the Walk-A-Thon! There are many things being done now, and in fact many began over the summer, to make this event a success. This year we are celebrating our...

10th Annual Walk-A-Thon!

This means more fun, extra events, special visitors ~ This is a FUND-raiser but it is also a school FUN-raiser. Many families will come and cheer our students on and even walk a lap or two. Remember if you are going to participate in the Walk-A-Thon, you will need to be C.A.S.E. Trained through the DOR. Information on the process can be found on our website or through Corynn Shaw in the Faith Formation office. Thank you!

Hot lunch orders closed today for the 10/1 – 10/31 time period. Ordering will open again on 10/9 – 10/16 for the month of November. This was the first time we used the MSP system to place orders online ~ it had its bumps. But we persevered. Thank you for your

patience and for the patience of our office staff through the many trouble shooting calls from families and MSP!

Thank you for all you do for your child and Saint Kateri School! We would not be the amazing school we are without your support.

God bless you and your family!

Mrs. Terri Morgan
Principal, Saint Kateri School

Congratulations to Lily, Emilia, Molly and Ian in 5th grade for running in the Rochester Marathon Relay. Each ran a leg of a 26.2-mile race and did it in 4 hours and 48 minutes! They set a goal and reached it, they are 10 years old.
Great job!

The smiling faces of our amazing Saint Kateri School Faculty before greeting families on Curriculum Night!
